Youth Code of Conduct

A youth volunteer will know from the start of their service, who their trusted adult supervisor, organizer or leader is to which he/she will turn to, to report a problem or concern. From the manner in which you dress, to how you interact with your peers and those you assist in serving, from the respect you show to adults, what you put out in social media, you are now to be held at a higher standard.

Once you become a leader in our church community, you must be vigilant and thoughtful of how you present yourself in every way. We are proud of our young stewards!

As a Youth Volunteer I Understand That:

- Children and vulnerable adults depend on the community to help keep them protected and safe. As a youth volunteer, I have a role and responsibility in promoting a healthy and safe environment for children and vulnerable adults, as well as for my peers and the adults in our community.
- I pledge to witness in word and example my discipleship in Jesus and model a life consistent with the teachings of the Catholic Church, promoting through my own choices and behaviors, a way to love God and neighbor as self.
- I understand that my parent/guardian and I will fill out a Youth Application and Parent Consent Form. Once I turn 18 years old, I will be directed to fill out an Application for Ministry and Volunteer Service.
- I understand that minors are unable to transport other minors for parish or school functions on behalf of the diocese.
- I understand that I am looked at as a role model for those I serve, and as a representative of the Diocese of Corpus Christi.
- Most importantly, I understand the importance of telling an adult if I have reasonable belief another youth has been harmed, or is in danger of being harmed in any way.

I pledge to adhere to this Code of Conduct, and I understand that any action inconsistent with this Code or failure to take action as outlined in this Code of Conduct may result in my removal as a youth volunteer. I understand that it is a privilege to work with young people and vulnerable adults, not a right.
